1. A 240V NEMA 14-50 outlet is required for Level 2 charging. Electrical outlets for use with the dual-voltage charging cable must be installed by a licensed, qualified electrician. 2. Wireless charging may not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like products. 3. Do not overly rely on Advanced Park and use only in accordance with applicable laws. Remain attentive to surroundings during use. When using Remote Park, operator must have their key fob, continuously interact w/ smartphone w/ Bluetooth connectivity and ensure safe clearance around vehicle. Before operating, review Owner's Manual for instructions and limitations. 4. Digital Key requires active Remote Connect trial or subscription. Remote start/stop and/or lock/unlock and other features of Remote Connect are only available on select models. Use only if aware of circumstances surrounding vehicle and it is legal and safe to do so (e.g., do not remotely start a gas-engine vehicle in an enclosed space or if vehicle is occupied by a child). Remote Connect depends on certain factors outside of Lexus' control in order to operate, including 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Services subject to change at any time without notice. Digital Key also requires Bluetooth connectivity. Remote Connect is included with select paid Connected Services packages. See your Lexus dealer for details. Terms of Use apply. Data charges may apply. See Owner's Manual and <https://drivers.lexus.com/lexusdrivers/technology/interface> for additional details. To learn about Lexus Interface's connected services data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacy>. Trial period begins on original purchase or lease date of new vehicle. Paid subscription required after trial (if applicable). Terms of Use apply. 5. The Panoramic View Monitor does not provide a comprehensive view of the area surrounding your vehicle. Look around to confirm clearance. See Owner's Manual for limitations. 6. To wirelessly use Apple CarPlay on your car display, you need a compatible iPhone® with an active data plan. Check iPhone compatibility at <https://www.apple.com/ios/carplay/>. Operability depends on network availability, a cellular connection and GPS signal. Services subject to change at any time without notice. Data charges may apply. To learn more, go to <https://lexusconnectedtechnologysupport.com/lexus/home>. To learn more about Lexus' connected services data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacy>. Apple CarPlay and iPhone are registered trademarks of Apple Inc. 7. Wireless use of Android Auto requires a compatible Android 11.0+ phone and compatible active data plan. Check [g.co/androidauto/requirements](https://www.google.com/android/requirements) for compatibility. Operability depends on network availability, a cellular connection and GPS signal. Services subject to change at any time without notice. Data charges may apply. To learn more, go to <https://lexusconnectedtechnologysupport.com/lexus/home>. To learn more about Lexus' connected services data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacy>. Google, Android, Android Auto, YouTube Music and other marks are trademarks of Google LLC. 8. Intelligent High Beams operate at speeds above approximately 21 mph. Minimum speeds may vary by model. See Owner's Manual for instructions and limitations. 9. Lexus Safety System+ effectiveness depends on many factors including road, weather and vehicle conditions. Drivers responsible for paying attention to their surroundings and driving safely. See Owner's Manual for limitations. 10. Do not rely exclusively on Safe Exit Assist. Always look for approaching traffic before exiting the vehicle. See Owner's Manual for limitations. 11. Lexus Interface Services depend on certain factors outside of Lexus' control in order to operate, including 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded, including access to response center and emergency support. Services vary by vehicle and are subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data charges may apply. See Owner's Manual and <https://drivers.lexus.com/lexusdrivers/technology/interface>. For Lexus Interface Services' data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacy>. All trials begin on original purchase or lease date of new vehicle, with the exception of Wi-Fi for which trial begins at time of activation. Paid subscription required after trial (if applicable). For Safety Connect, stolen vehicle police report required to use Stolen Vehicle Locator. Automatic Collision Notification activates only in limited circumstances. Remote start/stop and/or lock/unlock and other features of Remote Connect are only available on select models. Use only if aware of circumstances surrounding vehicle and it is legal and safe to do so (e.g., do not remotely start a gas engine vehicle in an enclosed space or if vehicle is occupied by a child). Drive Connect service not available in every city or roadway. For Service Connect, information provided is based on the last time data was collected from vehicle and is not real-time data. Wi-Fi Connect service not available everywhere or in every vehicle. Valid in contiguous U.S. and Alaska. Up to 5 devices supported. Integrated Streaming requires subscription for third-party provider services. Wi-Fi Connect trial (if applicable) begins at time of enrollment and expires the earlier of: 3GB of data is used or 30 days after enrollment. 12. Do not overly rely on the Front Cross-Traffic Alert system. Always visually confirm that it is safe to proceed. See Owner's Manual for limitations. 13. Lane Change Assist operates only when Dynamic Radar Cruise Control (DRCC) and Lane Tracing Assist (LTA) are activated. Do not overly rely on this system. Driver must confirm lane is clear. See Owner's Manual for limitations. 14. Service will automatically stop at the end of your trial subscription period unless you decide to continue service. Trial is non-transferable. If you do not wish to enjoy your trial, you can cancel by calling the number below. All SiriusXM services require a subscription, each sold separately by SiriusXM after the trial period. Service subject to the SiriusXM Customer Agreement and Privacy Policy, visit [siriusxm.com](https://www.siriusxm.com) for complete terms and how to cancel which includes online methods or calling 1-866-635-2349. Some services and features are subject to device capabilities and location availability. Satellite service not available in AK & HI. Content varies by SiriusXM subscription plan. All fees, content and features are subject to change. SiriusXM and

2026 RZ Specifications

related logos are trademarks of Sirius XM Radio Inc. and its respective subsidiaries. 15. The engine immobilizer is a state-of-the-art anti-theft system initiated when key is inserted into ignition switch or a SmartAccess fob is in/near vehicle. Engine will only start if the code in the transponder chip inside the key/fob matches code in vehicle's immobilizer. The transponder chip is embedded in the key/fob and can be costly to replace. For lost key or fob, see a Lexus dealer or go to www.aloa.org to find a qualified locksmith for high-security key service. 16. Charging may not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like models. 17. Do not rely exclusively on Blind Spot Monitor. Look over shoulder and use turn signal. See Owner's Manual for limitations. 18. Do not rely exclusively on the Rear Cross-Traffic Alert. Visually confirm clearance during use. See Owner's Manual for limitations. 19. Intuitive Parking Assist may warn drivers of, and potentially brake for, front and rear collisions with certain objects when traveling at low speeds. Drivers should visually confirm clearance during use. See Owner's Manual for limitations. 20. Water, weather, dirt, and other conditions may cause the hands-free power liftgate sensor to not operate properly. See Owner's Manual for limitations. 21. The backup camera does not provide a comprehensive view. Always look over shoulder and use outside mirrors. See Owner's Manual for limitations. 22. Traffic Jam Assist requires an active trial or subscription to Drive Connect. Traffic Jam Assist is not an automated driving system, requires driver supervision at all times, and is designed to function on controlled access freeways at speeds of 25 mph or less. Use this system in accordance with applicable laws. Before operating, refer to Owner's Manual for instructions and limitations. 23. Cloudburst Gray, Copper Crest, Ether and Iridium available for an additional charge.
